

Transportation of Dangerous Goods (TDG) Train-the-Trainer

All affected employees must be trained in Transportation of Dangerous Goods (TDG) every three years to meet the Due Diligence requirements of the Ontario and Federal Governments as well as ISO 14001. This train-the-trainer course will allow your organization to understand and comply with the new requirements of Canadian TDG regulations. This applied TDG course will teach your staff how to correctly identify, label, ship and receive dangerous goods specific to your workplace. In addition we provide training on how to deal with potential accidental releases including government record keeping and reporting procedures.

Course Content

Learn...

- Why this training is necessary
- How to be an effective trainer for adults
- Capturing the attention of your audience and keeping it through effective communication
- How to accommodate different learning styles
- About potential violations, penalties and defense
- To understand the Transportation of Dangerous Goods regulations
- General responsibilities of consignor, carrier and consignee, exemptions and applications
- How to identify Dangerous Goods
- About hazard communication and Safety Standards

Participate in...
