

Workplace Hazardous Materials Information System (WHMIS) Train-the-Trainer

WHMIS is a nation-wide legislated system of communication regarding hazardous materials in the workplace. This course will allow your organization to meet all applicable regulations for occupational due diligence. The course will also provide your staff with a balanced understanding of WHMIS symbols, WHMIS hazards, MSDS sheets, and product labels - all of the hazardous material classification systems found in Canada.

Course Content

Learn...

- How to be an effective trainer for adults
- Ways to accommodate different learning styles
- Capturing the attention of your audience and keeping it through effective communication
- Legislation related WHMIS
- Designation of Hazardous Materials
- WHMIS symbols and hazards
- Supplier and Workplace labels
- MSDS specific training
- Safe Work Practices associated with hazardous materials

Participate in...

- Mock training scenarios
- Practice teaching sessions
- Effective communication exercises
- Feedback from the instructor and your audience
